&
LUXURY CANVAS ACCOMMODATION**

WHAT WE DO

We create bespoke outdoor experiences and provide luxury accommodation for weddings.

Our passion is for transforming wild spaces into magical backdrops or spectacular centrepieces.

With a fleet of 200 canvas structures and a crew of 75, we have pitched over 20,000 luxury suites, elegant yurts, deluxe bell tents and ensuite huts at some of the most celebrated, wild, secret and free-spirited parties in the UK.

By setting up Yurtel camps at boutique hotels, grand estates or private homes you can host, entertain and accommodate any number of guests throughout the day and night.

A photograph of a wedding ceremony taking place in a lush forest. Several large, mature trees with dense green foliage frame the scene. In the foreground, a large group of guests, mostly seen from the back, are seated in rows of light-colored wooden chairs. They are dressed in formal attire. At the end of the aisle, a bride in a white gown and a groom in a dark suit stand under a floral archway. The text "THE YURTEL EXPERIENCE" is centered in the upper half of the image, with a thin horizontal line underneath it, and "WE ARE OUTDOOR PEOPLE" is centered below that.

THE YURTEL EXPERIENCE

WE ARE OUTDOOR PEOPLE

A close-up photograph of an olive branch with several green olives and dark, elongated leaves. The branch is in sharp focus, while the background is blurred, showing a clear blue sky and a white fence with red posts in the distance.

OUR STORY

We are the product of over 17 years experience in high-end event production and hospitality combined with a long lasting love affair with the great British outdoors.

Our luxury camps come in all shapes and sizes, from a handful of stylish tents to bucolic wild settings with 5 star accommodation, artisan bars, outdoor restaurants, stunning receptions, pop up cinemas and bespoke spas.

Our experienced team offer a mix of creative design, slick production and warm hospitality to provide some beautifully wild overtones to your celebration.

A wide-angle photograph of an outdoor event at dusk. In the foreground, a lush green cornfield stretches across the frame. In the middle ground, a large white event tent with multiple peaks is illuminated from within, with people visible inside. To the right of the large tent, a long row of small, white, A-frame tents with red doors is set up. The background features a line of dark trees under a twilight sky with soft purple and blue hues. The text "THIS PLACE IS THE BEST" and "GREG JAMES, BBC RADIO PRESENTER" is overlaid in white at the bottom.

OUR LUXURY CAMPS

We create bespoke camps in the grounds of stately homes, country estates, woodland glades, rolling fields and beautiful gardens.

Each venue is different, each setting unique. Our job is to ensure you can stylishly host, accommodate and entertain as many guests as you like in the setting of your choosing.

OUR SERVICES

We don't just provide luxury accommodation. Our events team are experts in creative design and management of weddings of all sizes. We specialise in the unique: celebrating the setting, style and guests with champagne breakfasts, wild banquets, campfire cocktails and fireworks by hot tub.

We can offer a fully serviced luxury camp with artisan bars, restaurants and spas, or the straightforward accommodation hire. Our hospitality and hiring services run from the sublime: mixologists, ambient lighting and fresh flowers, to the essential: luxury loos and showers, temporary power and water supplies.

OUR TEAM

We have a crew of creative problem solvers and a core team of seasoned event professionals. Every last detail from the eye masks to the clothes hooks are carefully packed, the position of every structure painstakingly considered, and each accommodation lovingly prepped and pillows plumped.

The site specifics, access, power requirements, additional bedding, timings and take down are thoughtfully designed and managed, to leave the partying up to you.

A romantic wedding scene set against a dramatic sunset. A bride in a white gown and a groom in a dark suit with a red tie are walking hand-in-hand across a rugged, dark grey rocky cliff. The bride's dress is flowing behind her. In the background, a large group of wedding guests is gathered on a grassy ridge, watching the couple. A stone building with two prominent square towers sits atop the ridge. The sun is low on the horizon to the right, creating a strong golden glow and lens flare effects across the scene. The overall mood is romantic and picturesque.

THE SPEC

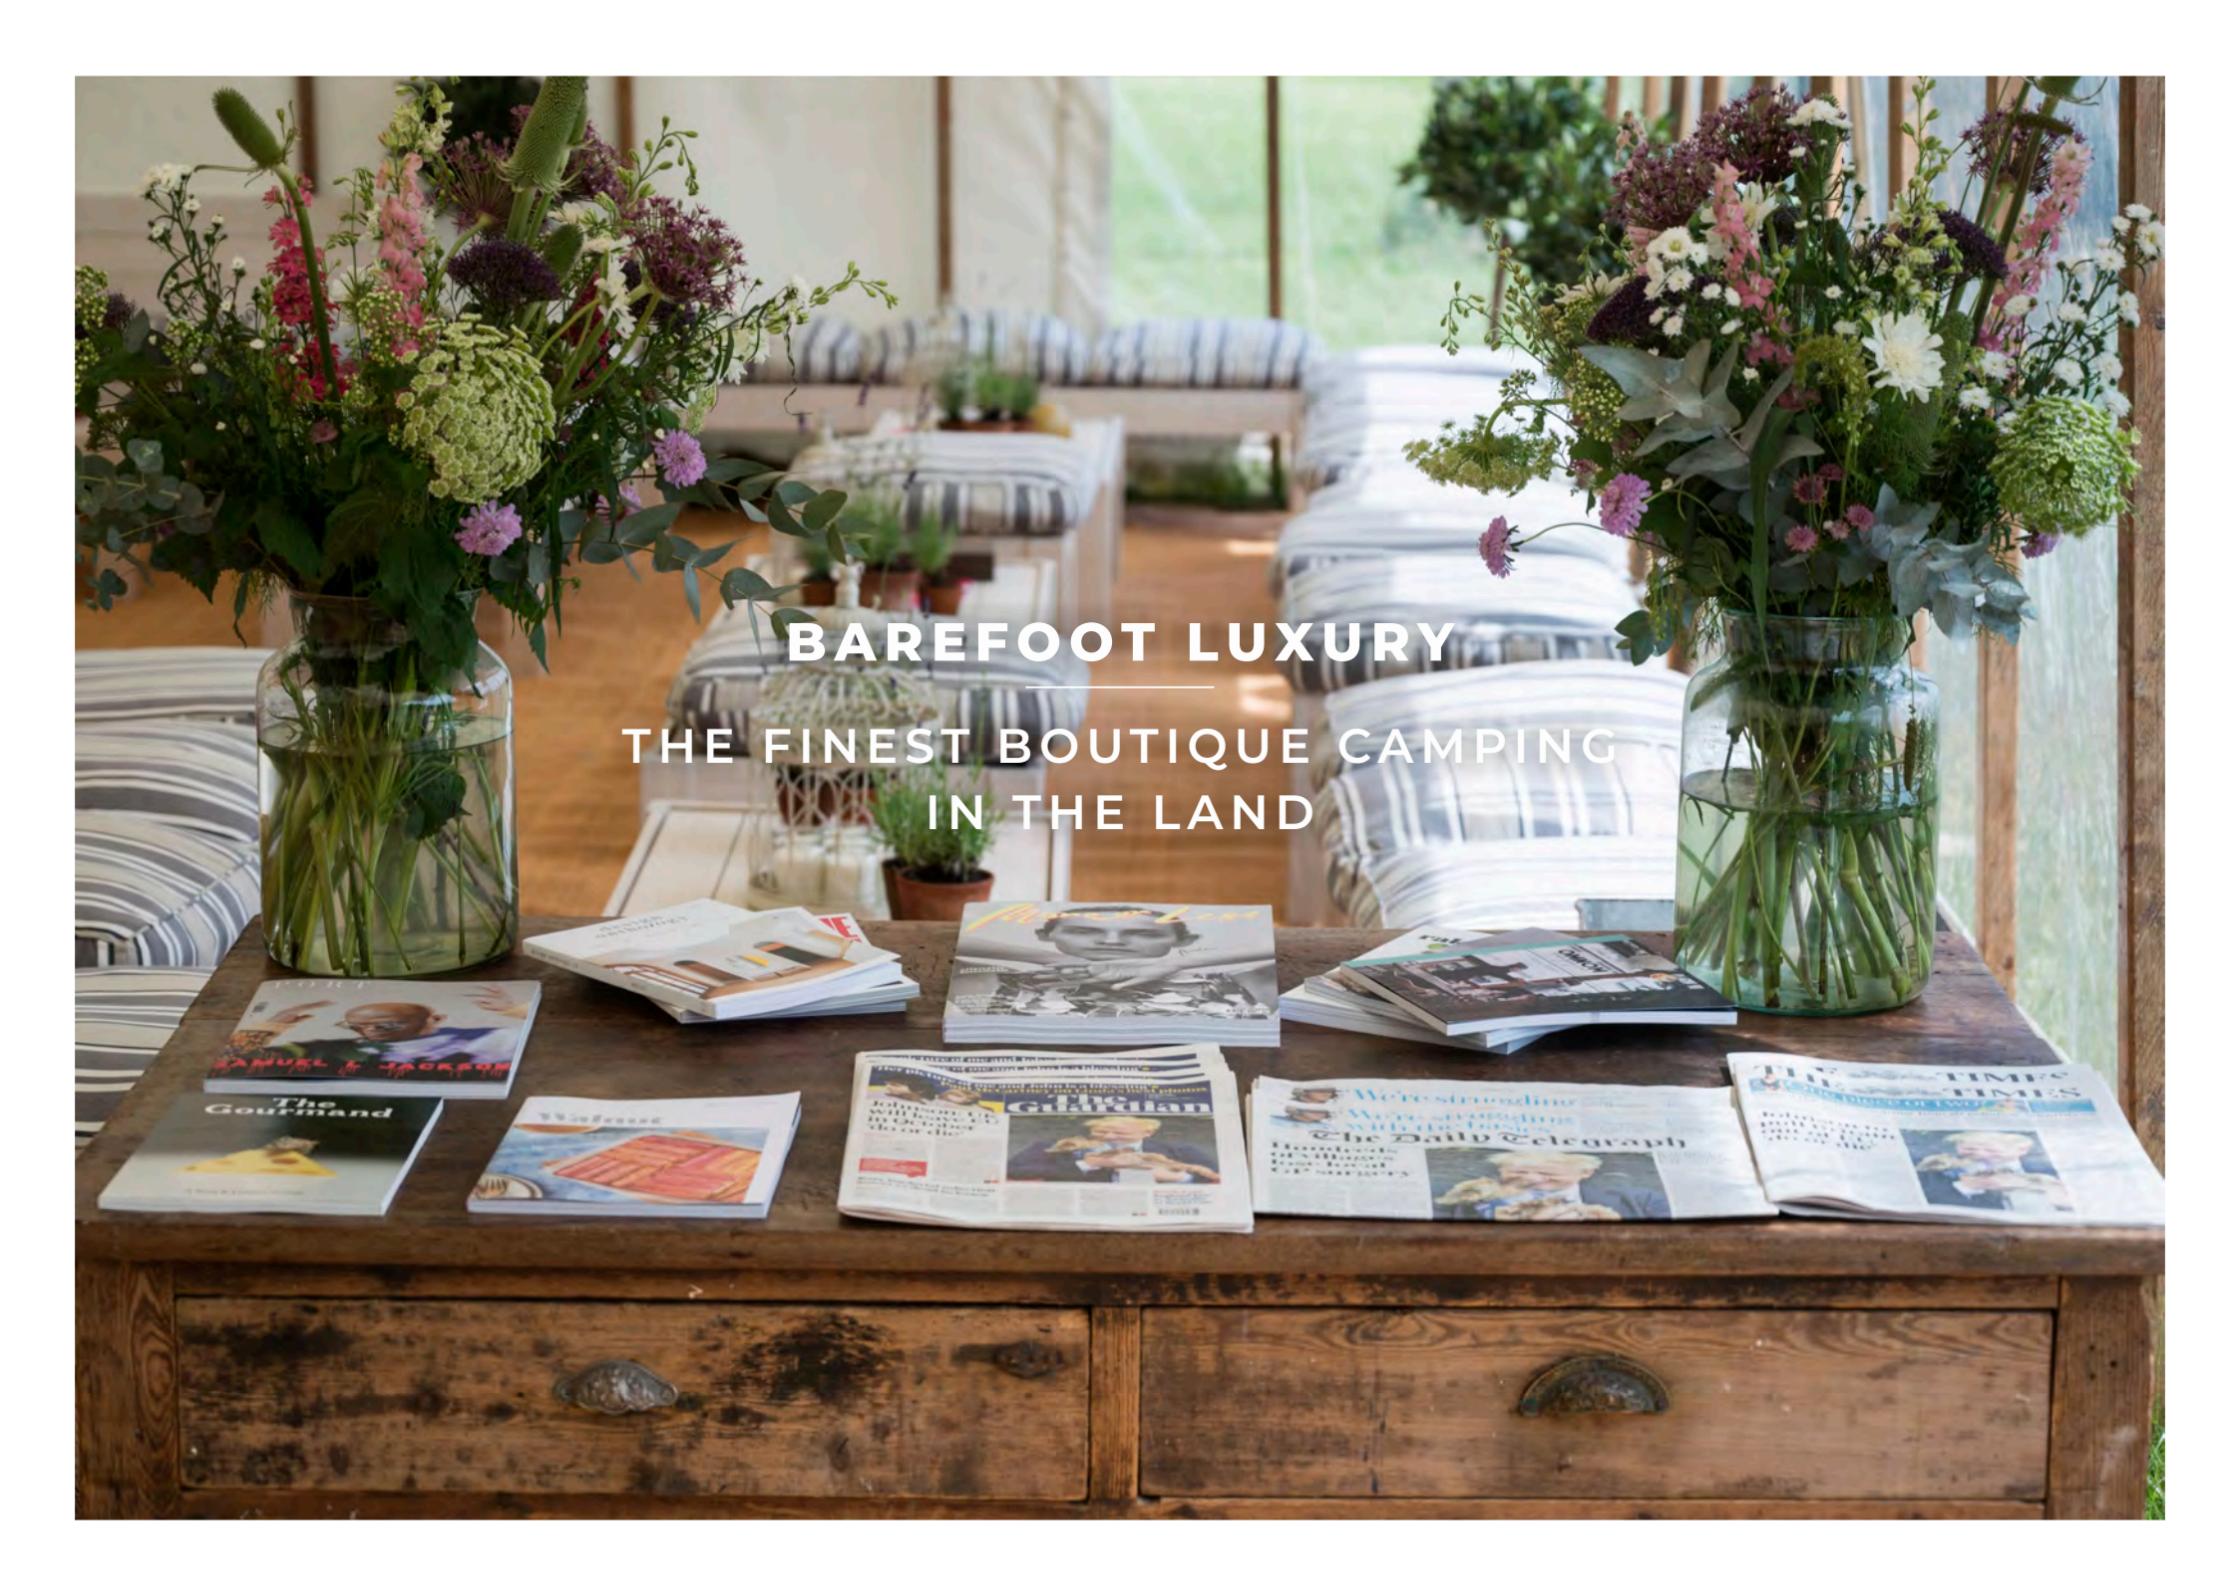

For a night spent under canvas with no comfort spared, we are the pioneers.

Our fleet includes the largest single collection of luxury suites, yurts and deluxe bell tents. Designed by us and built in the UK by the oldest tent manufacturer in the UK, each structure has its own character, comfort and style.

Most structures can be adapted to fit bigger groups with additional beds. Whilst all luxurious cotton bedding, comfy duvets and soft pillows are included.

We design each custom-made piece of furniture, and we focus on sustainability: making smart use of the earth's resources. We deliver, set up and collect to leave no trace, and work hard to recycle, re-use or re-home our tents, materials and resources.
